Cracking The Code Third Edition DownloadFormer Beach Boy Mike Love is allegedly facing a 15-year sentence for possession of "hundreds of pounds" of pot, according to the OC Register. Love was arrested on May 23 at his house in Hollywood, and claimed he was trying to hide evidence while he went out for a jog. Though he has been in jail since, Love's lawyer said he had been treated "amazingly well." The arrest was first reported in the OC Register, which went on to confirm that Love was facing charges of possession for sale and marijuana cultivation. Love is a force in the entertainment world, having recorded eight Beatles hits and gone on to found the Beach Boys. He recently launched Love Beach, a similarly themed clothing line.

The shop is located on the grounds of the Chateau Marmont, which has several stars as its residents, including tennis legend Martina Navratilova. In a statement, TMZ reported, Beach Boys reportedly received a \$10,000 bail, and have been released after a judge ruled Love did not pose a flight risk. After being released, Love plans to have his bail set at \$300,000, according to the OC Register. The next court date has not been announced.
