Arthur Blunt Arthur Blunt (1829 - after 1850) was an English first-class cricketer who was active in 1845-1850. He played four first-class matches as a righthanded batsman who bowled right arm fast pace. He was born in Briton Ferry, Glamorgan and died in Winchester. He scored 59 runs with a highest score of 26 and took four wickets with a best performance of three for 33. He played in the same three matches as Alfred Vernon and another unknown bowler named Paterson. References Category:1829 births Category:Year of death missing Category:English cricketers Category:Glamorgan cricketers As we move into the end of the year, E.W. Scripps Company (the company) is pleased to announce the launch of the E.W. Scripps Company headquarters Web site. This site, at ewSCO.com, will be the central portal for all of Scripps Company's news and business information. We're pleased to share with you more than 40 years of Scripps Company news and information on our Web site. To highlight our Web site's comprehensive coverage, we've broken it up into three sections: our top news stories, our business news and our sports news. Our news story section contains news items from the top 100 newspapers owned by the company, many of which have now been consolidated into one E.W. Scripps Company website. Other media content is included under the section for business news, which includes news items from the company's 32 newspapers, plus Scripps Networks (SNI), which includes our 24 television stations and 14 cable networks, and our digital media division (eLocal, EBSCO, The Scripps newspaper and other digital content). Finally, the sports section contains the company's 32 team-specific news sites

. code de la route tunisie : test de l'arabe à .Q: How to get first characters of a given string in C++ I wanted to know the first 4 characters of a string. If i give it as a string, it will give the complete string. So i have tried the following. std::string str = "str"; string::iterator temp = str.begin(); if (temp!= str.end()) { int i=0; while (temp!= str.end()) { temp++; i++; } cout Q: How to write shapefiles to internal harddrive? I've got some shapefiles that I've exported as.shp and.dbf files using the ArcCatalog. I would like to write these files to my computer (I want to store them locally so that I can have easy access to them). How can I do this? Do I need to compress them? How do I do this in ArcGIS 10.2? A: Download and install the ESRI Data Interoperability Tools with ArcGIS Runtime. Save your shapefile or other files into the directory ./arcgis/InfoRepository Run the Save Data tool, choose your data source (shapefile), save the files into your new directory. AT&T Reportedly Fired Distribution CEO Who Was Prepared to Clash with CBS Head Philip Clarke, the CBS Corp. and AT&T Corp. executive who prepared to take over chief executive officer of the former's distribution company, was fired after a clash with senior CBS Corp. executives, according to four people familiar with the matter. The executives of the two media companies had been in talks for weeks about
