Release date : 09/10/13 Ports : Windows, Linux, Mac Genre : Shoot'em up Description : Far down the road in Human history, an abnormality in space-time suddenly appeared on one of Saturn's moon : Encelade. Spaceships of an unknown origin take the human fleet by surprise. A real genocide. Earth also seems to be overwhelmed by the assault and only a small group, scouting near Encelade manageto avoid the attack. By approaching the icy surface of the moon there is still one last hope of a counter attack against the ennemy from another world." Enceladus is a shoot'em up inspired by the Playstation & Saturn era infused with mecanical gameplay and modern artistic style. Easy to handle, skill will be needed in order to beat the 7 levels available. The player takes control of « Frost », a spaceship capable of firing energy blast or to channel a very powerful laser. He also has the ability to trigger a powerful explosion, ideal to get yourself out of trouble. The number one asset of « Frost » is his ability to teleport. By a simple push of a button, it is possible to create a ghost of Frost while still defending yourself. By letting go of that same button « Frost » teleports to the ghost's location. That technology allows you to move faster, to dodge overwhelming shots but also to gain acces to unaccessable zones. Teleportation needs practice, but once mastered « Frost » becomes so much harder to destroy. We covers The Beatle's early band. It covers a good amount of songs from the 70's and 80's. If you heard any good song... please comment. Steve Hackett at Metrock London 2014 Steve Hackett is the lead guitarist for the British heavy metal band Genesis and a founding member of the band. Following his departure from Genesis in 1974, he started his own band, GTR in 1974. Forming GTR, he hired long-time friend Mike Rutherford to be the drummer, and the band released its first two albums, Genesis and Abacab, on Charisma Records. Prior to Genesis, Hackett had started his career with a band called Zarathustra. Hackett played with Frank Zappa, and was with him on the final tour in 1979, however due to legal issues with both Zappa and his record label, Zappa opted to disband the band. Hackett currently plays solo albums and has had a successful recording career with Steve Hackett's Night Watch. Axes Tips and Tricks & Missions 5 Tips for the next level Hunter
Get on Hunter x Hunter to level up your mercenary sword! As you level up your mercenary weapon, you'll be able to harness its awesome power. Here are 5 Tips for the next level! ■
Jackal's path contains more than 2,000 missions! The more missions you complete, the more there will be at your disposal. And you'll be able to take advantage of even more bonuses! ■
Once you have completed The Crooked Man's Order, complete the Lost Task. The mission you will receive from Crooked Man will provide the answer to a difficult question. You must also complete The Crooked Man's Orders in order to equip the "Strategist"-level mercenary weapon. ■
The more missions you complete, the more you will be able to invest in the Legendary Mercenary Equipment. Quality level 3-4 you can get between the missions. Quality level 5 you can get unlimited. ■
Complete Missions with bonuses and attainable items. The mission with its bonuses is placed to your trust - follow it to get a bonus on several missions in a row. You will then get more credits, which you can exchange or use to upgrade your weapon and equipment. ■
Complete Missions by August 24th, as in August 2018 the Hunting Season starts and there will be a large increase in bonus missions. ■
Conquering missions will provide bonus Missions. You can use recon missions to master the strategy and hunting techniques. ■
The more ranks you achieve, the more you get in each mission. When you become Rank 12, you will be given an awesome item, unique to Rank 12. But don't forget: Rank 10 rewards you at Rank 12! And the Rank 12 equipment is also Rank 10! ■
When you buy gold, be sure to power up with the fuel you have! Fuel you have purchases twice as much as normal. ■
Make sure to master the right weapon style to improve your performance on missions in Equipment! First: the style of your mercenary weapon determines the Success Rate. As Hunter you can master any style of mercenary weapon you like, as well as directly purchase weapons! Next: The type of gold used determines the amount of Fuel you will receive per mission. Fuel will be one of the items presented below
