The following are two maps given to me by a source I don't want to identify for obvious reasons. The first one is a map of the entire world which I grabbed from The Gateway of Information website, however I did not use the map as the target. The second map is a part of the world which is missing from the first map due to necessity. The planet has been split into two, the red one is the one whose population I am concerned with. Permission to use these maps is hereby granted to anyone but this is by no means an endorsement of the content of the maps. This is simply a request for an explanation of the global conditions in the U.S. and Canada as well as the rest of c6a93da74d
