hspa dayz hack noi. in gta v, the weapons also use ammo. when
the player shoots a target, it uses a single hit of ammo. in
certain cases, certain weapons are only capable of using a single
hit of ammo. it may take multiple shots from other weapons
before the target is fully dead. noodlecake; i bought this to see if
it would work for me, and it did. gta v's online mode is a lot of
fun for being a multiplayer game. i don't have the patience to
play it the way it's meant to be played, but i found a couple of
mods that i can do to make it more enjoyable. i play as a ghost.
