This is a utility to capture images from your favorite websites into PNG format. It's especially useful for those who would like to save images from online e-courses. Easily manage capture settings like quality, compression and size. You can edit the captured images in separate windows by using GIMP. You can view and share images through e-mail, IM, or on social media like Facebook, Twitter, etc. From the Trump presidential campaign, released Thursday, February 21, 2016: "The RNC has now released its memo

on the @realDonaldTrump campaign, also known as TRUMP. This is the first time in decades that a presidential campaign has released an “official” memo on their own campaign, and therefore it is important that we share this information with the American people. We have released a response from the RNC’s memo on how they see the Trump campaign: * “The Trump Campaign is poised to be the most effective Republican political organization and fundraising operation in the history of the Republican Party.” * “The Trump Campaign’s

fundraising operations are strong and will quickly surpass the Jeb Bush super-PAC and all other Republican campaign operations combined.” * “Donald Trump has better demographics than any other Republican candidate in history, in both Party registration and Primary preference.” * “Donald Trump’s combined charisma, fundraising, and organizational power can propel the Republican Party to a historic victory in November.” * “Donald Trump is leading the Republican Party at a time when the GOP needs to be united behind a

strong, principled conservative that can beat Hillary Clinton.” * “Donald Trump is the Republican Party’s best chance to win in November.” * “Donald Trump is the only candidate that can lead the Republican Party to victory in November.” * “Donald Trump is the anti-establishment candidate and can lead the Republican Party to victory.” * “Donald Trump is the only candidate who has the potential to win in November, and defeat Hillary Clinton.” * “We know that Donald Trump will be the Republican nominee. We know that the Trump Campaign will be

the most effective Republican political organization and fundraising operation in the history of the Republican Party.” *

“Donald Trump has better demographics than any other Republican candidate in
